ENERGY POLICY

ONGC Tripura Power Company Limited, a 726.6 MW gas based combined power plant, engaged in generation of electrical energy, is committed towards excellence and continual improvement in energy performance. This shall be achieved by:

- ❖ Having a systematic approach (Plan, Do, Check, Act) that leads to continual energy efficiency improvement.
- ❖ Establishing framework for setting and reviewing energy objectives and targets.
- ❖ Ensuring availability of information and all necessary resources to achieve energy objectives and energy targets.
- ❖ Creating awareness and promoting innovativeness among employees, contractors and vendors about energy conservation and energy efficiency program.
- ❖ Procuring economically viable and best available technology to enhance energy performance.
- ❖ Supporting design activities considering energy performance improvement.
- ❖ Complying with applicable legal and other requirements related to energy efficiency, energy use and energy consumption.

This policy is communicated to all stakeholders.
